Sunningdale 27. April. 1887

Dear W. At Kew I have been verifying Determinations of Palmer's Plants. I shall be on a while. I cannot use the tickets as I (as I should like) because the habitats are not given in your transcript of my notes, and all the tickets have the habitat printed on them. Please have Sutcliffe to copy the nos. & add habitat, say by an initial — Bay — or short mark. for Shetland. i.e. 1. a
2. or some such.
3. b.

Oliver has taken mem. for the bill of Palmer. We are d sorry he will attend to it at once. We are well & busy enough. I am about 10 days before we cross to Paris. Shall be glad to hear from you. —

Sincerely

A Gray
